Duration of Warranty

Your Wells Cargo equipment, which has been manufactured, tested and inspected in accordance with carefully specified engineering requirements is warranted to the original owner to be free from defects in material and workmanship for the period of **six (6) years or four (4) years or three (3) years** depending on the brand/model*, except as herein limited, from date of purchase. The obligation of this Warranty shall be limited to repairing or replacing any part or parts which, in the opinion of the Company, shall be proved defective in materials or workmanship under normal use and service during the appropriate year period commencing with the date of purchase. Jack rams, electrical wiring, glass, sealants, doors, seals, locks, paint, plumbing, couplers and jacks are warranted for a period of one (1) year from date of purchase.

This Warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

Limitations and Exclusions

This Warranty shall NOT extend to:

- 1) Wells Cargo equipment which has been modified, repaired, or altered in any way without the express written consent of Wells Cargo.

Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
